ORDER COLLECTION PERIOD (Please tick)

APRIL 2021

AUGUST 2021

SEPTEMBER 2021

IMPORTANT: All plants must be picked up no later than the end of the month nominated.

TERMS & CONDITIONS FOR ORDERS

- All species grown in the Nursery are native to the Mid-Western Regional Council area. Seed is sourced from within this area, wherever possible.
- The Nursery grows plants mainly on contract and generally does not have stock available for "on the day" purchase.
- The minimum purchase is one tube rack, or 40 plants in total. This can be a mixture of species.
- Where possible, species should be ordered in multiples of 40. This is the size of the racks we use in the nursery and assists with assembling your order prior to pick-up.
- Purchases of up to 400 plants (10 trays) must be paid for in full at the time of placement of the order.
- For purchases over 400 plants (10 trays), a deposit of 50% of the total purchase price must be paid before the order can be confirmed.
- Orders for tube-stock to be planted in Autumn (April) must be placed before the closing date stated on the Watershed Landcare website. This allows time for seed to be sown and plants to be grown out to a suitable size for planting. Some species may require longer than 6 - 7 months to grow to a suitable size. Orders for Spring planting (August-mid September) can also be placed at this time.
- All orders must be collected by the end of April or by a date negotiated at the time of order confirmation. Unless plants are ordered for spring planting, we are unable to hold plants over Winter. The exception to this is if some species have slower than expected growth.
- Watershed Landcare Nursery will not be held responsible for loss or damage to plants if they are not collected by the agreed pick-up date.
- Collection of plants must be pre-arranged with the Landcare Coordinator. At least 48 hours' notice must be given as the nursery is not staffed.
- Watershed Landcare Nursery retains the right to sell plants that are not collected by the agreed date unless an extension is negotiated with the Landcare Coordinator. If an extension is approved, the order must be paid in full by the original collection date.
- No refund will be given for plants not collected by the due date.
- A selection of plants will be available for sale each year at the Mudgee Small Farm Field Days (July) and smaller quantities of plants can be purchased at this event.

PRICING	<400 PLANTS	>400 PLANTS (10 trays)
MEMBER	\$2.75 (inc GST)	\$2.20 (inc GST)
NON-MEMBER	\$3.30 (inc GST)	\$2.75 (inc GST)
	Paid in full on order	Deposit - 50% of order Collection - Remaining 50% paid 48hrs prior to collection

NURSERY SPECIES SELECTION

Below are the species available, depending on seed availability. If you are looking for alternative species, please speak to us as we may be able to grow them too, depending on seed availability. For more information on plant species, please see our website.

SPECIES	QUANTITY	SPECIES	QUANTITY
GRASSES, SEDGES, GROUND FLORA			
<i>Austrostipa verticillata</i>		<i>Lomandra longifolia</i>
